

A superior blend of lubricants, solvents and moisture displacing oil. Foaming action provides extended penetration and moisture displacement. The light foam of this product allows for “creeping” in any direction. Outstanding penetrant that loosens the toughest rust. Contains oily lubricants to assist in removal of nuts back off threads. Penetrants creep between mating parts for faster, safer loosening. Foaming action minimizes run off and keeps more product working on the rusted part.

Where To Use

Vehicles	Industrial machines	Motors
Large machinery	Nuts and bolts	Hinges
Roller bearings	Conveyors/Pulleys	Electric motors
Gears	Automotive repair shops	Airport terminals
Motorcycle dealers	Machine shops	Machinery manufacturers
Tool and die shops	Trucking companies	Metal fabricating shops

Directions

Shake well before using. Spray on all corroded, rusted or frozen parts. Let stand for several minutes to allow thorough penetration. If necessary, tap lightly to speed and insure penetration. In extreme cases, a second application may be necessary.

Technical Specifications

CAN SIZE: ...20 oz.	NET WEIGHT: ... 15.75 oz.
ODOR:Solvent	USDA RATING: ..N/A
TYPE:Aerosol	PROPELLANT: ...Hydrocarbon
pH:N/A	SPRAY PATTERN: Stream
COLOR:White	FLAMMABILITY: Yes
SPRAY PATTERN:.... Foam
