

# Liquid Acid Cleaner

L2130

*A phosphoric acid based concentrated cleaner, descaler and brightener. Non-fuming removes hard water stains, soap scum, etc. USDA approved.*

## Where To Use

Showers	Restaurants	Health Clubs	Stainless Steel Surfaces
Utensils	Food Service	Locker Rooms	
Dairies	Restrooms	Aluminum Tables	

## Dilution

General cleaning - 1/20 (6.5 oz./gallon)

Heavy duty - 1/10 (13 oz./gallon)

## Directions

Can be used straight on heavy soap scum build up. For brightening aluminum or stainless steel, pre-clean surfaces to obtain best results.

Although this product contains phosphoric acid which is a food grade acid and is safer than most other acids, care should still be taken to avoid contact with skin, eyes and other sensitive areas. Please refer to MSDS for further precautions.
