

Pink Concentrate

P2670

A non-butyl, all-purpose cleaner. Safe for all surfaces, including finished flooring. The perfect product for top scrub and re-coat procedures. Safely removes the top layer of floor finish without effecting the bottom layers.

Where To Use

Hotel	Lobbies	Linoleum	Office Buildings
Schools	Rubber	Woodwork	Painted Surfaces
Homes	Tile Floors	Vinyl Floors	

Dilution

Damp Mop – 1/256 - 1/2 oz./gallon
Floors - 1/128 to 1/64 (1 to 2 oz./gallon)
General - 1/80 (1.5 oz./gallon)
Scrub & Re-coat - 1/16 (8 oz./gallon)
Auto Scrubber - 1/32 (4 oz./gallon)

Directions

Floors - Dilute in cool or room temperature water according to chart above and mop on floor. Rinsing is not necessary if floor will be buffed after cleaning.

General Cleaning - Mix in bucket or trigger sprayer. Spray or apply to surface with a sponge. Agitate and rinse or wipe clean.

Scrub & Re-coat - Dilute in bucket according to chart above. Use a blue or green cleaning/scrubbing pad to safely remove the top layer of floor finish.
