

# Econo Clean

## Powdered Laundry Detergent

# Laundry

### Description

A pleasantly scented organic laundry detergent powder, which is designed to be equally effective in hot or warm water. This economical built detergent is formulated for the toughest, most troublesome laundry problems where price is of major concern. It is not recommended for fine or delicate fabrics. Econo Clean is biodegradable, contains optical brighteners and fast acting cleaning agents, and is effective on natural and synthetic fibers. Highly concentrated for use in hotels, motels, schools, hospitals and nursing homes. Cleaning is provided through the use of modified detergents rather than strong alkaline booster compounds. Econo Clean rinses freely and completely.

### Directions for Use

For general laundry usage (top load machines) use approximately 4 ounces per load. For larger loading machines or heavier soiled loads use 4 ounces per load. In most cases, the average 30-pound commercial machine will require 4 to 8 ounces per load. Always follow garment manufacturers general washing instructions to retain quality of garment. This modern, controlled suds formula is designed to act quickly to break down stubborn dirt, grease, and oils.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
