

Glisten

Hand Wash & Wax Detergent

Automobile

Description

This is a concentrated wash and wax product that has been uniquely formulated for automatic or hand washing cars, trucks, buses, and other vehicles. Glisten is a modern combination of synthetic detergents and emulsifiers, which provides effective cleaning to all vehicle surfaces. This product will quickly remove dirt and greasy soils for surfaces leaving behind a gleaming shine. This superior automobile wash and wax has a neutral pH and contains no acids, abrasives, or strong alkalis that might cause damage or contaminate streams, water supplies, or septic tanks after rinsing. Glisten is highly concentrated for economical use and works well in automatic car washing systems. This product will safely and completely perform all vehicle-cleaning jobs with benefits of high foam and dries without spotting.

Directions for Use

This product is highly concentrated and can be diluted as high as 1 ounce per gallon of water depending of severity of soiling of automobile surfaces. To clean greasy buildups, use 6 to 8 ounces of product per gallon of water. Interior cleaning of cars, trucks, or buses is effortless at 2 to 3 ounces per gallon of hot or cold water. Consult your sales representative for use in automatic systems.
