

Pro-Block Fiber Protector

DuPont Capstone Fiber Protector

Carpet Care

Description

This product is a highly durable carpet overspray protector and provides a high level of resistance from water and oily and dry soils. It exhibits an excellent resistance to detergents and can maintain its properties through several extraction cleanings. Our product contains fluorochemicals, to create an anti-soiling, anti-staining, protective barrier for use on fabrics, upholstery, and carpet. This product is recommended for use on 5th generation carpeting as an after cleaning treatment.

Directions for Use

For damp, cleaned carpet, mix 4 gal. of water (soft or distilled preferred) into 1 gal. Pro Block Fiber Protector (1:4). Spray unto carpet at a rate of 1 gallon per 400-600 sq. ft. Use light, even stoke, and then repeat 90% to first application for even coverage. Brush or rake to spread protector evenly and align carpet pile for drying. Keep off carpet until dry. For dry carpet, mix 6 gallons water into 1 gallon Pro Block Fiber Protector (1:6 dilution) apply 1 gallon per 200 sq. ft.

SPRAYER USE: Use pressure sprayer with 8004 jet at 35-45 psi. Sprayer dedicated to protector application is recommended to prevent accidental mixing with other chemicals.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Form invisible shield around each fiber
- Protects against spills, resists soils
- Enhances stain-resistance
- Resists oil penetration
- Keeps cleaned carpets looking clean longer

Specifications

Appearance:	Light Brown Liquid
Odor:	Bland
PH	6 – 7.5
Specific Gravity:	1.01 – 1.03
Detergency:	None

Dilution

Damp Carpet.....	1:4 (1 gallon / 4 gallons)
Dry Carpet.....	1:6 (1 gallon / 6 gallons)

Available Sizes

- Case/ 4x1 gallon : Item # 435104
- Pail / 5 gallon : Item # 435105
- Drum / 55 gallon : Item # 435106
