

# SOFTY

Laundry Softener / Sour Combo

# Laundry

## Description

Softy is a combination 2-in-1 laundry additive that softens and conditions. Neutralizes residual alkalinity while imparting a smooth, soft feel to flat work, linen, and all types of fabrics. Controls static electricity by imparting anti-static properties to fabrics and linens. Prevents yellowing and graying and removes rust stains. Provides lubricity that prolongs fiber life. Reduces or eliminates the need for ironing.

## Directions for Use

Automatic Dispensing Systems should be programmed to inject correct amounts of Softy into the final rinse water. Run a test load of troublesome laundry and observe results. Check cleanliness, alkaline, or acidic residues and hand adjust components of system as necessary. Consult your equipment representative for specific instructions and application set up.

## Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

## Features & Benefits

- Controls wrinkles and static charge
- Neutralizes alkaline residues
- Provides soft, fluffy laundry
- Helps remove salts and minerals from wash water
- 100% biodegradable

## Specifications

Appearance:	Blue Opaque Liquid
Odor:	Pleasant
PH	1-2
Biodegradable:	Yes

## Dilution

35 lb Commercial .....	(2-3 ounces / per load)
75 lb Commercial.....	(4-6 ounces / per load)
200 lb Commercial.....	(8-12 ounces / per load)

## Available Sizes

- 5 gallon Pail / Item # 21505
- 15 gallon Pail / Item # 21515
- 55 gallon Drum/ Item # 21506
