

Tire Beauty

Exterior Rubber & Tire Dressing

Automobile

Description

Tire Beauty is a professional strength tire and rubber dressing developed for automotive exteriors, rubber finishing, and tires to prevent drying and cracking while leaving a high, long-lasting gloss. This dressing has been specifically formulated to provide the maximum protection from drying heat, excessive rains, and other elements.

Directions for Use

Tire Beauty is Ready to Use. Simply spray product over area to be treated and thoroughly wipe with a soft cloth to complete coverage. When gloss fades, reapply as desired.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Ready to Use
- Weather Resistant
