

FIX-IT!

FIX ANY SCRATCH LIKE A PRO!

Energize Your Scratch Repair Category with Fix-it![™]

Do-it-yourself results instantly allows you to save money while avoiding expensive repairs

Fix-it![™] is a mildly abrasive one-step scratch remover that revitalizes paint by removing light scratches, oxidation and minor paint stains. It renews and restores depth of gloss and can be protected by applying a coating of any wax, polish or sealant. Safe for clear coat finishes.

Fix-it! Pro[™] Clear Coat Scratch Repair Filler & Sealer is the revolutionary liquid clear coat applicator that allows you to repair scratches to your car's clear coat instantly, easily and affordably. Fix-it! Pro[™] formula is designed so that actual sunlight activates the UV hardeners which fill and level and cure scratches to your car's finish. It is non-toxic, permanent, odorless, and water resistant. Fix-it! Pro[™] works on all colors.
